

# COVID-19 PREVENTION

# BUILDING A SAFE ENVIRONMENT

## WHAT TO EXPECT WHEN WORKING WITH BEACON

As we continue to serve your business, our number one priority remains the safety and wellness of our employees, customers and the communities in which we live, work and raise families.

### BEACON SALES AND STAFF SAFETY

- **DAILY SELF-EVALUATION** — Daily symptoms and temperature check for all customer facing employees.
- **CDC GUIDELINES** — We follow these guidelines to help model and promote a safe culture.
- **PPE** — We utilize Personal Protective Equipment like masks, gloves and hand sanitizer to help keep you, your team, and our teams safe.
- **TRAINING** — We are dedicated to ongoing education on COVID-19 for our entire staff.

### CUSTOMER CONTACT

- **PRE-APPOINTMENT CONTACT** — We will call ahead to ensure we maximize our time together. We will not be doing "drop-ins" at this time.
- **REMOTE VISITS** — When possible, we will have virtual conference calls based on the city / state guidelines and your level of comfort.
- **SOCIAL DISTANCING** — Our staff will maintain a 6 foot distance when interacting with customers.

### SUPPORTING YOUR BUSINESS

- **BEACON PRO+ PLATFORM** — You can continue to work safely and remotely by placing and tracking your orders at [BEACONPROPLUS.COM](https://www.beaconproplus.com)
- **IN-STORE | BRANCH EXPERIENCE** — Beacon is limiting visitors, as well as following a strict schedule to disinfect commonly used surfaces.
- **DELIVERY OPTIONS** — We have several delivery options to help keep you safe: hands free, express lane pickup, and no touch delivery.
- **ON DEMAND BUSINESS RESOURCES** — Utilize our educational website for instructional webinars and the latest local and state COVID-19 information. Visit [www.becn.com/covid-19](https://www.becn.com/covid-19)
